- Clean-up
- Cut-out animation

TVPaint

- Frame-by-frame animation

Clip Paint Studio

- Frame-by-frame animation
- Digital art

ABOUT ME

I'm a 2D character animator. Creativity has always been a big part of me and animation one of the greatest passions of my life.

Most of my free time is spent on creative projects of all sorts; costume making, prop creation, choreographing, animating, illustrating, creating stories and characters, etc. There's not a moment when I'm not working on something.

EXPERIENCE
